BALUMAMA TRADERS

About Us

Balumama Traders is a booming and passionate business unit since its inception in 2011. We are persistent caterers of high-quality and global standard raisins. With almost 14 years of huge experience in the fields of agriculture and international trading, the business unit has proven its mettle in acquiring a great number of clients in Asia pacific, Arab Countries, Middle East, Russia, Latin America, and all around the world.

The perfect combination that encompasses the legacy of great business ethics from the veterans in addition to the enthusiasm and techno-savvy youth makes Balumama Traders a standout amongst its business competitors.

Mission & Vision

Our Mission

Our mission is to be a determined name in the field of raisins manufacturing and trading. This will be accomplished through persistent quality maintenance and improvements in the process to establish a market position and a consistent increasing clients.

Our Vision

Our vision is to improve and establish our stake with the production of high quality raisins and continuous Process improvement and team building are the core values that help us to achieve our vision.
